BIKINI

Please note that our tops do not have knots or fasteners. The circumference and the cup size grow proportionally. For example, if you have a circumference of 70 and a D / E cup, you would choose size S or M. An L would not have enough support for the underbust.

If you need a lot of support for a large cup, choose the WILD top (strongest support, wide underbust band).

If you want it a little more elegant, choose the double neckholder top FREE.

Example: Franziska wears bikini top and bottom size M with 174 cm, bust 90 cm | underbust 80 cm | hip line 90 cm | butt 102 cm

SWIMSUIT

Our swimsuit fits normal. The fabric contains 22 % Elastane.

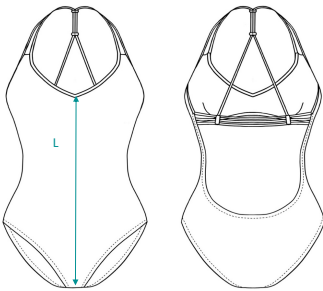

If necessary, please order the swimsuit one size smaller so that it fits like a second skin and does not slip while swimming.

When dry, the swimsuit must be tight and plain, otherwise it will be too big.

If you are short and curvy, choose a smaller size as the fabric adapts well to your body.

If you are tall and curvy, choose your clothing size.

Example: Franziska wears size S with 174 cm, bust 90 cm | underbust 80 cm | hip line 90 cm | butt 102 cm
